

2012 Biennial Meeting of the AANS/CNS Section on Pain

Jointly Sponsored by the AANS

American Association of Neurological Surgeons

Update on Facial Pain

Friday, April 13, 2012
Miami Beach Convention Center
Miami, Florida

PROGRAM AGENDA

Friday, April 13, 2012

7:00–8:00AM Continental Breakfast
8:00–8:30AM Welcome and Introduction
Christopher J. Winfree, MD

Facial Pain: Diagnosis and Surgical Therapy

8:30–9:00AM Classification of Facial Pain
Speaker: Kim J. Burchiel, MD
9:00–9:30AM Imaging of Trigeminal Neuralgia
Speaker: Kim J. Burchiel, MD
9:30–10:00AM Role for Guidelines in the Treatment of Facial Pain
Speaker: Mark E. Linskey, MD
10:00–10:30AM Coffee Break and Exhibit Viewing

Facial Pain: Surgical Interventions

10:30–11:00AM Microvascular Decompression for Trigeminal Neuralgia
Speaker: Raymond F. Sekula Jr., MD
11:00–11:30AM Percutaneous Procedures for Trigeminal Neuralgia
Speaker: Jason M. Schwalb, MD
11:30AM–12:00PM Stereotactic Radiosurgery for Trigeminal Neuralgia
Speaker: Jason P. Sheehan, MD, PhD
12:00–1:00PM Lunch

Facial Pain: The Atypical and the Failed

1:00–1:30PM Redo Facial Pain Interventions
Speaker: Erika A. Petersen, MD
1:30–2:00PM Deafferentation Facial Pain Syndromes
Speaker: Konstantin V. Slavin, MD
2:00–2:30PM Neurostimulation for Facial Pain
Speaker: Jeffrey E. Arle, MD, PhD
2:30–3:00PM Coffee Break and Exhibit Viewing

Facial Pain: Current Evidence and Future Directions

3:00–3:30PM Medical Management of Facial Pain
Speaker: Joshua M. Rosenow, MD
3:30–4:00PM Facial Pain Outcomes Research
Speaker: Andre G. Machado, MD, PhD
4:00–4:30PM The Future of Facial Pain Management
Speaker: Julie G. Pilitsis, MD, PhD
4:30–5:00PM Panel Discussion

WHO SHOULD ATTEND

The education sessions will be directed towards pain neurological surgeons, residents, nurse clinicians and physician assistants and will be directly applicable to their practices.

DESCRIPTION

To provide practicing neurosurgeons with the framework to assist in the diagnosis, treatment and prevention of complications in the facial pain patient.

LEARNING OBJECTIVES

Upon completion of this CME activity, participants should be able to:

- Describe techniques for diagnosing the facial pain patient.
- Describe the nonoperative management of the facial pain patient.
- Describe various percutaneous, radiosurgical, neuromodulation, and surgical therapies used in the treatment of the facial pain patient.
- Describe the role of evidence-based medicine in the treatment of the facial pain patient.

CONTINUING MEDICAL EDUCATION CREDIT

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the AANS and AANS/CNS Section on Pain. The AANS is accredited by the ACCME to provide continuing medical education for physicians.

The AANS designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

REGISTRATION AND HOUSING

For registration and housing information, please visit <http://www.aans.org/annualmeeting.aspx>.

MEETING REGISTRATION

	On or before 3/12	After 3/12
Pain Section Member (601)	\$350	\$450
Non-Member Neurosurgeon (602)	\$475	\$575
Pain Section Nurse Member (603)	\$350	\$450
Non-Member Nurse (604)	\$475	\$575
Neurosurgical Residents/Fellows (605)	\$350	\$450
Non-Member Office Staff (606)	\$350	\$450

Please note that the pre-registration deadline is March 12, 2012.
