The 35th Annual Meeting of the AANS/CNS Section on Pediatric Neurological Surgery

November 28–December 1
Denver, Colorado
Denver Marriott City Center

2006 Preliminary Program

- The AANS designates this educational activity for a maximum of 24.5 AMA PRA Category 1 credit(s)™
- Scientific papers covering a variety of pediatric neurosurgical topics
- Over 100 scientific oral and poster presentations with 30 exhibiting companies
- Three optional pre-meeting special courses: Nurses Seminar, Cervical Spine Instrumentation Course, Pediatric Neurosurgery Coding Course
Who Should Attend:
The educational sessions will be directed towards pediatric neurological surgeons, residents, nurse clinicians and physician assistants, and will be directly applicable to their practices.

Continuing Medical Education Credit
This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education through the joint sponsorship of AANS and the AANS/CNS Section on Pediatric Neurological Surgery. The Accreditation Council for Continuing Medical Education (ACCME) accredits the AANS to provide continuing medical education for physicians.

The AANS designates this educational activity for a maximum of 24.5 AMA PRA Category 1 Credit(s).™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing contact hours have been applied for. Please contact the Illinois Nurses Association for further information.

NEW!
Claim CME Credit the Easy Way
Beginning this year, Annual Meeting attendees will self-report CME credit for the programs they attend by going online to MyAANS.org. PLEASE HAVE YOUR USERNAME [email address] AND PASSWORD HANDY during and after the meeting for convenient completion and submission. Once logged in, click on “Self-Reporting” on the left and choose AANS/CNS Section on Pediatric Neurological Surgery.

Do not self-report CME credit for optional events. By turning in your tickets onsite, credit will automatically be added to your record in MyAANS.org.

Annual Meeting Learning Objectives
Upon completion of the CME activity, participants should be able to:

• Discuss current and new trends in the management of congenital anomalies such as craniosynostosis, spina bifida and the tethered spinal cord
• Express a new awareness of the nature and management of hydrocephalus
• Express a new and current awareness of pediatric neurotrauma and its management
• Express a new and current awareness of pediatric brain tumors and their management
• Explain new and current techniques in functional neurosurgery for epilepsy and disorders of movement

The AANS/CNS Section on Pediatric Neurological Surgery would like to take this opportunity to invite you to Denver, a vibrant city with 300 days of annual sunshine, year-round adventure and the breathtaking Rocky Mountains in its backyard. Denver welcomes you to experience, explore and discover how the Mile High City will awaken your senses like nowhere else.

Denver has the tenth largest downtown in the U.S. – a bustling area centered around a mile-long pedestrian promenade that is lined with cafes and mountain views. The mountain panorama visible from Denver is 120 miles long and includes nearly 200 named peaks. Downtown Denver is home to three new sport stadiums, 300 restaurants, a restored historic district filled with 90 bars and brewpubs, a collection of museums, a variety of galleries and shopping, and the second largest performing arts center in the nation.

After the meeting, enjoy euphoric skiing at any one of the number of ski resorts located no more than 90 miles outside of Denver. Famed resorts include: Beaver Creek, Breckenridge, Copper Mountain, Keystone, Loveland, Snowmass, Steamboat, and Vail. Opening days for most resorts are scheduled for mid-November, just in enough time for freshly covered mountains for the ultimate ski adventure.

On behalf of the organizing committee, we look forward to welcoming you to Denver. We promise you a meeting of the highest quality, with breathtaking views of the Colorado Rocky Mountains.

Sincerely,

Rick Abbott, MD
Chair, AANS/CNS Section on Pediatric Neurological Surgery

Michael H. Handler, MD, FACS
Scientific Program Chair, AANS/CNS Section on Pediatric Neurological Surgery

PROGRAM SCHEDULE

PROGRAM DESCRIPTIONS
The open scientific sessions provide participants exposure to the latest in research and groundbreaking information available on neurological topics including, Craniosynostosis, Congenital Anomalies, Epilepsy/Functional, Hydrocephalus, Tumors, and Trauma. The Raimond Lecture will be given by Richard D. Lamm, co-director of the Institute for Public Policy Studies at the University of Denver, and the former three-term Governor of Colorado. (1975-1987) He is both a lawyer (Berkeley, 1961) and a Certified Public Accountant. He joined the faculty of the University of Denver in 1969 and has, except for his years as Governor, been associated with the University ever since.

PRE-MEETING NURSES SEMINAR
A pre-meeting nurses’ seminar will be held on Tuesday, November 28 from 8:00 AM – 5:00 PM. This year’s course will include a variety of topics presented by a number of invited speakers. A continental breakfast and boxed lunch are included with registration.

Learning Objectives:
Upon completion of this seminar, participants should be able to:
- Discuss return to play guidelines for pediatric athletic concussions.
- Discuss techniques for dealing with difficult families and delivering bad news.
- Discuss the oncologic treatment of pediatric brain tumors.
- Compare and discuss treatment modalities for chronic spasticity.
- Describe the effects of melatonin on the sleep patterns of head injured patients.
- Describe and define concepts related to Functional Status and Quality of Life in children treated for CNS tumors.
- Compare and contrast the function of different shunt valves.

Nursing contact hours have been applied for. Please contact the Illinois Nurses Association for further information.

PRE-MEETING CERVICAL SPINE INSTRUMENTATION COURSE
A pre-meeting cervical spinal instrumentation course on Tuesday, November 28, from 12:30 – 4:30 PM will focus on C1-2 transarticular screw fixation in children. It will begin with didactic presentations highlighting the planning necessary for the hands-on cadaver session. Register early as registration is limited to 10 attendees.

Learning Objectives:
Upon completion of this course, participants should be able to:
- Discuss and define concepts related to functional status and quality of life in children treated for CNS tumors.
- Compare and contrast the function of different shunt valves.

PRE-MEETING PEDIATRIC CODING COURSE
A pre-meeting course on advanced coding and reimbursement on Tuesday, November 28 from 12:30 – 4:30 PM will give the practicing pediatric neurosurgeon the opportunity to explore in-depth, complex pediatric case coding scenarios. This course will be personalized, as participants will have the opportunity to submit questions and scenarios prior to the meeting.

Learning Objectives:
Upon completion of this seminar, participants should be able to:
- Review pediatric neurosurgical coding and apply to one’s practice.

EXHIBIT VIEWING AND POSTER SESSIONS
Vendors and their exhibits afford meeting participants an excellent opportunity to view highly specialized equipment and observe first-hand demonstrations of the latest technology available in pediatric neurosurgery.

Poster presentations give interested parties an opportunity to study at their leisure, and at length, the most cutting-edge research performed and documented by leaders in pediatric neurosurgery.

OPENING RECEPTION
The opening reception will take place on Tuesday, November 28 from 6:30 – 8:00 PM at the Denver Marriott City Center in the Denver Ballroom. Enjoy spending the evening with friends and colleagues over a wonderful assortment of hors d’oeuvres and open bar. All registered attendees and registered guests/spouses receive one complimentary ticket to this event. Business attire is recommended.

TUESDAY, NOVEMBER 28, 2006
7:00 AM – 7:00 PM
REGISTRATION
8:00 AM – 5:00 PM
PRE-MEETING TOPICS IN PEDIATRIC NEUROLOGICAL SURGERY

NURSES SEMINAR
Faculty: Cathy Cartwright, RN, MSN; Alan Cohen, MD; Susan Ferson, MSN, CPNP; Nicholas Foreman, MD; Tania Shiminski-Maher, MS, CPNP; Herta Yu, RN, ANN-ACNP; Patsy McGuire Cullen, MAEd, RN, CPNP; David Frien, MD

Learning Objectives:
Upon completion of this seminar, participants should be able to:
- Discuss return to play guidelines for pediatric athletic concussions.
- Discuss techniques for dealing with difficult families and delivering bad news.
- Discuss the oncologic treatment of pediatric brain tumors.
- Compare and discuss treatment modalities for chronic spasticity.
- Describe the effects of melatonin on the sleep patterns of head injured patients.
- Describe and define concepts related to Functional Status and Quality of Life in children treated for CNS tumors.
- Compare and contrast the function of different shunt valves.

Nursing contact hours have been applied for. Please contact the Illinois Nurses Association for further information.

8:00 AM – 5:00 PM
PRE-MEETING CERVICAL SPINE INSTRUMENTATION COURSE
This course is designed to introduce or enhance the surgeon’s exposure to C1-2 transarticular screw fixation in children. Starting with didactic presentations, instructors will cover the history, anatomy, concepts and techniques relevant to performing this procedure.

A detailed presentation, followed by hands-on participation, will discuss the pre-operative planning and image manipulation necessary to safely perform C1-2 transarticular screw fixation. Pre-operative planning will be performed on both a high-speed CT work station and a Stealth station.

A hands-on cadaver session, with close interaction with the instructors, will conclude the session. The cadaver session will have full operative support consisting of fluoroscopes and up-to-date instrumentation.

This course will take place off-site. Transportation will be provided.

Faculty: Douglas L. Brockmeyer, MD; Michael H. Handler, MD, FACS, FAAP

Learning Objectives:
Upon completion of this course, participants should be able to:
- Discuss and define concepts related to functional status and quality of life in children treated for CNS tumors.
- Compare and contrast the function of different shunt valves.

12:30 – 4:30 PM
PRE-MEETING PEDIATRIC CODING COURSE
Advanced Coding Strategies for Pediatric Neurological Surgeons
This is an advanced coding and reimbursement course targeted toward the practicing pediatric neurosurgeon and practice support staff who are interested in expanding their knowledge of pediatric neurosurgical coding.

This course will be case study or scenario driven and take attendees through an examination of complex pediatric case coding scenarios including a discussion surrounding the use of the endoscopic codes.

Prior to the course, registrants will have the opportunity to send in specific questions or operative scenarios which will be addressed onsite during the course. You may submit more than one question or scenario. All scenarios or questions should be forwarded via e-mail to njj@aans.org and include your contact information. Deadline for receipt is Tuesday, November 14. Attendees will need to bring CPT code books for use during the course. CPT books will be available for sale onsite, or you may pre-purchase your book from the coding and reimbursement categories on the AANS Marketplace Web site at http://marketplace.aans.org/

Faculty: Gregory J. Przybylski, MD

Learning Objective:
Upon completion of this course, participants should be able to:
- Review pediatric neurosurgical coding and apply to one’s practice.

6:30 – 8:00 PM
OPENING RECEPTION
Come and enjoy a wonderful assortment of food and beverages as you visit with old friends and meet new colleagues at this year’s Opening Reception. The event will be held at the Denver Marriott City Center. All registered attendees will receive ONE complimentary ticket to the Opening Reception. Additional tickets are available for $80 each.

WEDNESDAY, NOVEMBER 29, 2006

GENERAL INFORMATION

AIRLINE INFORMATION
The AANS/CNS Section on Pediatric Neurological Surgery is pleased to announce that United Airlines has been designated as the official airline of this year’s annual meeting.

A 5% discount off the lowest applicable fare will be offered ONLY when you or your travel agent call United’s toll-free number 1-800-521-4041 and refer to the Meeting ID Number 512GZ. A 10% discount off the unrestricted mid-week coach fares is available when purchased days in advance. An additional 5% discount will apply when you purchase your tickets at least 0 days in advance of your travel date. Discounts apply on United and United Express. Dedicated reservationists are on duty 7 days a week, 8:00 AM to 10:00 PM EST. The Meetings Plus Reservation Center is closed all major holidays. Book early to take advantage of promotional fares that give you the greatest discount. Mileage Plus members receive full credit for all miles flown to this meeting.

For reservations, call:
United Airlines
1-800-521-4041
8:00 AM – 10:00 PM Eastern time, 7 days a week
Meeting File Number: 512GZ.

AIRPORT TRANSPORTATION
SuperShuttle
SuperShuttle Denver has scheduled service to and from the downtown hotels and Denver International Airport (DIA) every 15 minutes. Go to the SuperShuttle Denver counter on the Baggage Claim Level upon arrival at DIA, present the coupon in order to pay the discounted round trip fare (or if they have pre-paid, present confirmation numbers). You may print the SuperShuttle Coupon and link to the on-line registration option on the Annual Meeting Web Site at www.neurosurgery.org/pediatric. The counter is open from 7:00 AM – 11:00 PM.

TAXI SERVICE
Taxis are readily available at the Denver International Airport (DIA). Fares vary based on traffic and road conditions. At the time of printing, the one-way fare from DIA to the Denver Marriott City Center was approximately $46.

HOTEL RESERVATIONS
Deadline – October 31, 2006
The AANS/CNS Section on Pediatric Neurological Surgery has negotiated a special rate that the Denver Marriott City Center for attendees of the 2006 Annual Meeting. Please refer to the enclosed housing form for additional information and instructions.

AMERICANS WITH DISABILITIES ACT
The AANS/CNS Section on Pediatric Neurological Surgery wishes to take those steps to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services. If you require any of the auxiliary aids or services identified in the Americans with Disabilities Act in order to attend any program, please contact the Meeting Services Department at aansam@aans.org, or call 888-566-2267, ext. 529.

For reservations, call:
United Airlines
1-800-521-4041
8:00 AM – 10:00 PM Eastern time, 7 days a week
Meeting File Number: 512GZ.
SKI INFORMATION

BEAVER CREEK, COLORADO
You won’t find Beaver Creek’s combination of luxury and exhilaration anywhere else. With 146 trails, the mountain offers something for every level of skier, including those determined to win the World Cup.

At Beaver Creek you will find legendary Colorado powder and 300 days of sunshine, combined with a resort where elegant accommodations, gourmet dining, heated walkways and outdoor escalators are at your fingertips. Various ski shops are conveniently located throughout Beaver Creek to assist you with all your equipment needs to make your stay at Beaver Creek truly superb.

For more information on skiing in Beaver Creek please visit: www.coloradoskicountry.com

BRECKENRIDGE, COLORADO
Breckenridge Ski Resort is the largest historic district in the state of Colorado. The town and its residents are eager to offer something new and hip to visitors, from everything like thriving nightlife to extreme mountain competitions at the colossal Breckenridge ski resort.

The resort’s 146 trails span through four interconnected mountains, making Breckenridge Summit County’s largest ski area. Each peak is fantastic in its own way that provide skiers and riders with a mass mixture of terrain.

For more information on skiing in Breckenridge please visit: www.coloradoskicountry.com

COPPER MOUNTAIN, COLORADO
Nested in the Ten Mile and Gore wilderness ranges just 75 miles west of Denver, Intrawest’s Copper Mountain Resort is a year-round vacation paradise.

There’s something for guests of every age at Copper, where all lodging accommodations, shops, restaurants, conference facilities and a wide variety of activities are conveniently located within a scenic resort village.

With 2,433 lift-served acres, Copper Mountain is Summit County’s largest ski and snowboard resort.

For more information on skiing in Copper Mountain please visit: www.coloradoskicountry.com

VAIL, COLORADO
Vail, with its size and terrain, is America’s premier ski destination. There is no comparison. The mountain is consistently ranked the No. 1 Ski Resort in North America, according to the readers of many magazines. To be exact, Vail has been the No. 1 ski resort 13 times in the last 17 years.

Vail has earned this premier designation for terrain, snow conditions and challenge. Combining the largest single-mountain in North America with 5,289 acres of skiable terrain, Vail provides a huge variety of trails for skiers and riders of every level. Vail also boasts the largest network of express quad chairlifts in the world with 34 total lifts, 14 high speed quads and one gondola.

For more information on skiing in Vail please visit: www.coloradoskicountry.com

OTHER SKI AREAS
For information on other ski areas please visit: www.coloradoskicountry.com.
THE BROKER RESTAURANT
821 17th St.
303-292-5065
Romantic dining in a real bank vault. Complimentary shrimp bowl. Great steaks and fresh seafood. One block from 16th Street Mall.

BUCKHORN EXCHANGE
1000 Osage Street
303-534-9505
Denver’s 113-year-old restaurant and saloon. Serving prime beef and buffalo steaks, ribs and elk in a genuine Old West setting. Accessible via light rail or 5-10 minutes by cab.

DENVER CHOPHOUSE & BREWERY
1735 19th Street
303-296-0800
This 1930’s brew pub offers seven microbrewed beers, classic cocktails and eclectic menu, big band music and a great atmosphere!

ELWAY’S
2500 East First Avenue
303-399-5353

1610 Little Raven Street, Riverfront Park
720-904-0965
Zengo is Japanese for “give and take” it is Chef Sandoval’s eclectic and energetic, Latin-Asian restaurant, receiving acclaim for its vibrant, fun atmosphere and light sharing cuisine.
HOUSING FORM

AANS/CNS Section on Pediatric Neurological Surgery
35th Annual Meeting
November 28 – December 1, 2006
Denver Marriott City Center
Denver, Colorado

Housing Deadline:
Tuesday, October 31, 2006

Special room rates are available at the Denver Marriott City Center for reservations made before Tuesday, October 31, 2006, based on availability.

TO MAKE A RESERVATION

ONLINE
Visit www.neurosurgery.org/pediatric and click on the housing link.

FAX
Complete and fax this form to 800-713-6287 (US only) or 847-297-5086 (International)

All hotel reservations must be guaranteed by a major credit card in order to confirm the accommodations. Credit card deposits will be charged at the time of booking.

CANCELLATION POLICY

A one night room deposit will be forfeited for any reservation that is not cancelled prior to 6:00 PM on the day of arrival. Deposits are refundable if the hotel received notice of cancellation by 6:00 PM on the day of arrival and if a cancellation number is obtained. Any reservation that has not been cancelled by, or for, individuals who do not arrive, will automatically be billed for one night’s room and tax.

ACCOMMODATIONS

A single or double room is $149 plus tax.
Check-in is at 3:00 PM
Check-out is at Noon.

Hotel room rates are subject to applicable state and local taxes in effect at the time of check-in. State and local taxes are currently 14.85%.

HOUSING CONFIRMATIONS WILL BE SENT FOR THE HOTEL
